Festival Guide

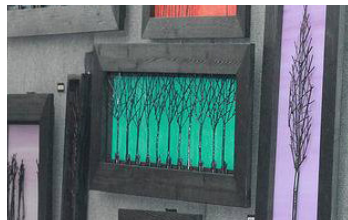

Each year, thousands of new and loyal patrons converge on the Marietta Square during the Labor Day weekend to enjoy and purchase wonderful works of fine arts from our incredible local and national artists. This year has been incredibly difficult for our artists as virtually every art festival nationwide has been canceled in the interest of safety during this pandemic.

The Marietta Art in the Park festival began 34 years ago and has become one of the premier fine art shows in Atlanta, and the only one in Cobb County. This fine art extravaganza features the Artist Market, representing the best in fine handcrafted works by 175 artists from all over the country. Art displayed during the festival includes paintings, photography, pottery, graphic arts, sculptures, jewelry, woodworking and much more. Also included in the festival is the Children's Art Alley and the Chalk Spot. The festival supports both Marietta City Schools and Cobb County Schools through fund raising efforts during the festival. Marietta Art in the Park has earned many awards over the years and has most recently been selected as one of the nation's 2020 TOP 200 Festival by Sunshine Arts Magazine. We are proud of the accolades, and work hard to maintain, and improve the festival every year, with tremendous thanks to the true stars of the festival - our Artists!

While we will sincerely miss greeting all of our friends and artists this year face to face, it is still possible to support these talented artists by visiting their websites, which are hyperlinked by clicking on their names on our 'Participating Artists' tab on the festival's website, artparkmarietta.com.

We anxiously look forward to returning for our 35th Annual Marietta Art in the Park Festival September 4-6, 2021 and to celebrate the arts once again! Thank you for your continued support.
